AMAI LIU

smile when you suck that!

Hey! It's me, Lindsey. Tiny Amai is all worried about her braces, but those pouty lips are the *real* deadly weapons!

You've got the cutest smile, Amai. Why do you hide it sometimes?
I don't want my braces to scare guys off before I get to suck their cocks!
Is that your favorite thing to do sexually?
I love it. I get off on the guy enjoying himself.
Do you spit or swallow?
Spit. I don't want cum to get stuck in my braces. Can't wait to get these things off!
Then will you swallow?
Yes, and I'll smile all day long!

Do you like posing nude?
Uh-huh. It's fun, plus it makes me feel more feminine.
What do you think is your best physical feature?
My long hair, because it looks pretty draped over my body.
How often do you masturbate?
Not that often. Maybe once a week, with my fancy vibrator.
Do you like to get your pussy licked?
It's okay, but I like giving the guy head better.
What's the best way for you to come?
If the guy does me doggy-style while I play with my clit.
Do you ever do it in the butt?
Yes. It hurts a little, but I like it.
Where do you like a guy to come?
On my face. It prevents breakouts!
Have you ever had sex in public?
Not yet. ;)
What is the wildest thing you've ever done?
I gave a guy a BJ while he was driving.
What kind of guys do you like?
Those with a masculine presence.
What's the best way for a guy to get with you?
By just being normal, fun and not trying too hard. And also by being brave enough to put his penis in my metal mouth!★

DEAR BARELY LEGAL

PANTY CONTEST WINNER

Announcing the results of our April 2009 Panty Giveaway contest! L.F., your letter warmed our hearts and our coochies—the perfect combo. Come back from the edge to claim Eva's adorable undies!

Dear Eva,

Well, BARELY LEGAL finally made me do it. Over the years, I have been tempted to send a letter to try to charm the panties off of one of the beautiful girls gracing this magazine, but after seeing your photo-layout, I have gone over the edge and have only come back far enough to write this letter.

I will remain over the edge until I find out that I have indeed won those coveted panties. I cannot stop looking at the photo of you with your arms across your knees and your head resting on your arm. I cannot decide if I want to look at your cute coochie or if I want to look into your eyes. Your face, with a slight hint of a smile, and your eyes make a voice inside my head say, Don't you want to lick my pussy? And I say to myself, Yes, yes, YES. Then I have to turn the page quickly. Of course, I always end up back on that photo!

I don't know if it's the fact that my father was born in Angola, Indiana, or if it's that I was in Bloomington for six months at Indiana University. It was there that I met my first true lover, and looking at you and your sweet smile takes me back to a happier (and sexier) time. Your eyes seem to gaze into my soul. I know that if you wear your panties and think of me (or this letter from me) and smile, you will get wet and fill your panties with your essence.

I have to stop writing now, as my hands are starting to tremble, and I want to finish this letter so that I have a chance of getting those panties from you. My ultimate fantasy would be for you to wear those panties and just rub them into your sweet little cameltoe until they are drenched. Of course, as I said before—you have to smile, or it just won't be the same.

Okay, I really have to stop now.

Hoping for a dream cum true,
L. F.
California

Dear BARELY LEGAL,

I once claimed in a previous letter to be "not fond" of "Young Celeb Fantasy," but the parody picture in the March 2009 issue has my mind completely changed. That is a smoking-hot depiction of Emma Watson. And I loved seeing Lily Allen's boobs again! Her sensational voice dances in my mind each time we make our very own hit music together. I just wish she'd bare her sexy ass sometime soon.

Cooke is an absolute doll. She takes the cake...or at least the frosting. Christine Michaels makes me nuts, and then she drains me. Those tits are f—ing fantastic. Dakoda Brookes is such a princess. She could crown my cock any day. And I cannot believe the pussy on Vanessa. That little bub-blegum snatch looks delicious!! One last thing...Angelina, now that you're a big girl, wanna come over and play house?

A. J. J.
Michigan

A. J. J., we heart Lily Allen, too! That girl always has <u>some</u> body part slipping out—it's only a matter of time before we catch her bare bum. Keep your fingers crossed!
—Lindsey

Greetings!

May I make a small suggestion on fine-tuning BARELY LEGAL? (See the March 2009 issue.)

Last two photo-shoots, Vanessa and Angelina: In the Angelina shoot, she does a variety of facial expressions to add a *bit of spice* to the shoot. Vanessa in every picture has the *same* high-school-yearbook expression. Could you drop a memo to all your camera people to look at this and make their own judgment?

Best to you and all your crew!
G. S.
Georgia

P.S. Thanks again for the great deal you gave me on my subscription!

G. S., we're sorry if you were disappointed! The photographers always try to make the girls comfortable, but some girls are just <u>so shy</u> when they get

naked for the camera, their face freezes—like with Vanessa. Honestly? I think she was more worried about her pussy looking pretty! **—Lindsey**

Dear Emmy,
Wow! Blond, petite and pigtails—what more could a guy want? When I first saw your pics [March 2009], it wasn't two minutes later I was shooting my wad. You look so sweet and innocent, but I'm sure you also have a wild side. I would love to lick you all over from your nice, sweet pussy to your tight and firm butthole. I'm hoping to see a lot more of you in future issues. You are without a doubt my number-one BARELY LEGAL girl! If you have any extra pics of yourself in pigtails, I would love to have another.

Your number-one fan,
J. R.
Indiana

J. R., you totally make me want to explore my wild side! Thank you!! Here's a bonus pic just for you. **—Love, Emmy**

Dear BARELY LEGAL,
I just started receiving BL in the mail. At first glance, it appears BL is made to assist with men's masturbatory fantasies of fucking an all-natural 18-year-old girl. In actuality, however, BL is merely fulfilling the fantasy of women in their 20s of being 18 and all natural. Your women are mostly in their 20s who have been in other adult magazines and porn for several years, yet you present them as being 18. Your women are mostly European, yet you portray them as American, and you even print phony bios of the women (note your disclaimer).

You publish touched-up pics to cover the pregnancy stretch marks and C-section scars; you also lighten or erase the areolas of women who've had breast implants to hide the surgical scars. The implants may not be huge, but they are still obvious.

I doubt you'll ever print this letter, but if you do, instead of denying the facts, can you please provide me with the name and address of an adult-magazine publisher that distributes a magazine of actual 18-year-old all-natural girls? Calling yourself BARELY LEGAL is clearly false advertising.

Sincerely,
M. D.
West Virginia

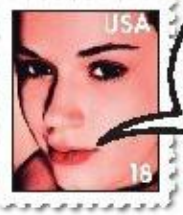
Actually, M. D., we always print negative letters, 'cause it's important to include all feedback, even if it's totally mean for no reason. But in this case, we also need to set the record straight!

First of all? Of course some of the girls are in other magazines. They want to be professional models. Are they supposed to model for only one magazine ever? That would not exactly be an awesome career.

Second, yes, we do some touch-ups, like for pimples and stuff. I'm sorry, but these girls do not want to parade their zits in a national magazine! It's just like putting on makeup. But we do not cover up surgical scars, because there are none. There are no implants! Believe me, we check boobies very carefully. ;)

But the most important thing is, we never say that all of the girls are 18. We have girls of all different ages. I mean, look at Eden Petty. She was our January 2009 Teen Queen, and she wasn't even a teen! She was 20! But anyway, she still got tons of complimentary letters.

In our opinion, M. D., girls who are 19 or 20 are still barely legal. As long as they look young and natural, we will have them in the magazine. But we'd love to hear what other readers think. How about it, guys? **—Lindsey**



WE LOVE WHEN YOU GUYS WRITE TO US!

AGYNESS DEYN: HONORARY BARELY LEGAL GIRL OF THE MONTH

You guys, we have a rule about never giving our highest honor to a model, no matter how hot. The reason is, models are half-naked for a living. They're, like, professional nip slippers. It wouldn't be fair to let them compete with nonmodel celebrity girls who have to work extra hard to slip their nips.

Well, British supermodel Agyness Deyn breaks all the rules, including ours. Check out the photo of her at a Chanel event in New York City. She is looking *right at* her titty and doesn't even go, "Oops!" and tuck it back in!

On the other hand, she might have just been distracted, reminiscing about the time she did a Pop magazine photo-shoot *completely naked in broad daylight on a rooftop in Queens.*

Agyness, you're, like, beyond honorary. You are an actual BARELY LEGAL girl!

KALEY CUOCO

YOUNG CELEB FANTASY

Back when TV hottie Kaley Cuoco was 16, she played a dumb blonde on *8 Simple Rules...For Dating My Teenage Daughter*. These days, newly legal Kaley is on a show called *The Big Bang Theory*, playing a totally different...dumb blonde.

Some people might jump to the conclusion that Kaley actually is a dumb blonde, but it's so not true. She's really smart, and acting isn't even her favorite thing. "Horseback riding is my passion," Kaley confesses. "People can't imagine me getting dirty, but that's what I love about it."

Okay, Kaley—*that's* dumb. We and reader G. K. of New York can *totally* imagine you getting dirty!

Which young celebrities would you like to see? Let us know! Write to BARELY LEGAL Celeb Fantasy 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211.

DISCLAIMER: Parody picture: no such picture of Kaley Cuoco actually exists. This composite fantasy picture is altered from the original for our imagination does not depict reality and is not to be taken seriously for any purpose.

INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys. I keep hearing that we're in the "dog days of summer." Whatever that even means, it sounds bad. To me, this is the best time of year. It's so hot out, girls are half-naked wherever you go! In the park, at the mall, on the library steps...everywhere, girls in teeny little shorts and handkerchief-sized halters.

Of course, no place is better for sightseeing than BARELY LEGAL—'cause here, the girls are all the way naked! Safe inside the August issue, Amau Lu can flash her shiny braces and her pointy nips. Cheyenne can pucker her perfectly pink, wet lips—above and below.

Strolling down the street, a girl like Aysha just looks flat-chested—here, you can see how incredibly edible her sweet little A cups are. Out in public, you can only imagine whether adorable Bebe is shaved or not—here, you can gaze freely upon her glorious bush, so luxurious it reaches to her butthole!

You guys, I have my own name for this awesome time of year: These are the *pussy* days of summer! Let's celebrate them together! :)

CHEYENNE

happy to see me?

Hey, there—it's Devon the intern. Cheyenne was voted Best Smile and Best Personality her senior year, and this fall she's starting college, where she plans to study psychology. If she doesn't get too distracted, that is!

Hey, Cheyenne! You look happy to be here.
I am! Omigod, do you know how long I have been waiting to turn 18 so I could pose for you guys?
Was it worth the wait?
Yes, I *love* posing nude. I feel so sexy. I can't believe millions of guys are going to be looking at my naked body!
Well, why don't you take your socks off and stay a while?
[*Pauses.*] I can't. That's the one part of my body I'm not comfortable with.
Your *feet*? You can show your coochie, but not your *feet*?
No! I'm sorry, I know I'm weird. I just think feet look so, like, *alien*.
A lot of our readers who love bare feet are going to be disappointed.
But maybe there are some readers who like socks, too.
Sure, we've heard from guys who like socks.
Then they'll like *me*.
Do you leave your socks on during sex?
Yes, but I don't think guys care. I distract them with my pussy!
Would you say you're good in bed?
Mmm—I feel like I still have a lot to learn, but I'm very enthusiastic. I would say I'm fun in bed.
What's your favorite thing to do, sex-wise?
I love fucking. I liked it right away, as soon as I lost my V.
What's your favorite position?
I *love* to be on top. Does that sound bad? I mean, does it sound like I'm bossy?
No, but do you mean you have to *always* be on top?
No, it just feels super good, and it's the best way for me to come. I like the other positions, too. Like, doggy-style is awesome when you're in a dirty mood.
Speaking of, have you tried anal?
Yes, a couple of times, but I don't know if I was totally 100% ready for it. It kind of hurt.
Would you try it again?
Yes, with the right person. Because I think it could feel really awesome.
Do you have a lot of sex?
Not like every day or anything. I'm selective. Although, I have a feeling that's going to go out the window this fall.
Because you're going to be lonely while you're away at college?
Because I'm going to have *easy access* at college! My dorm is coed! The guys are going to be too hard to resist.
Just picture their bare feet. LOL.
Even that won't stop me! ★

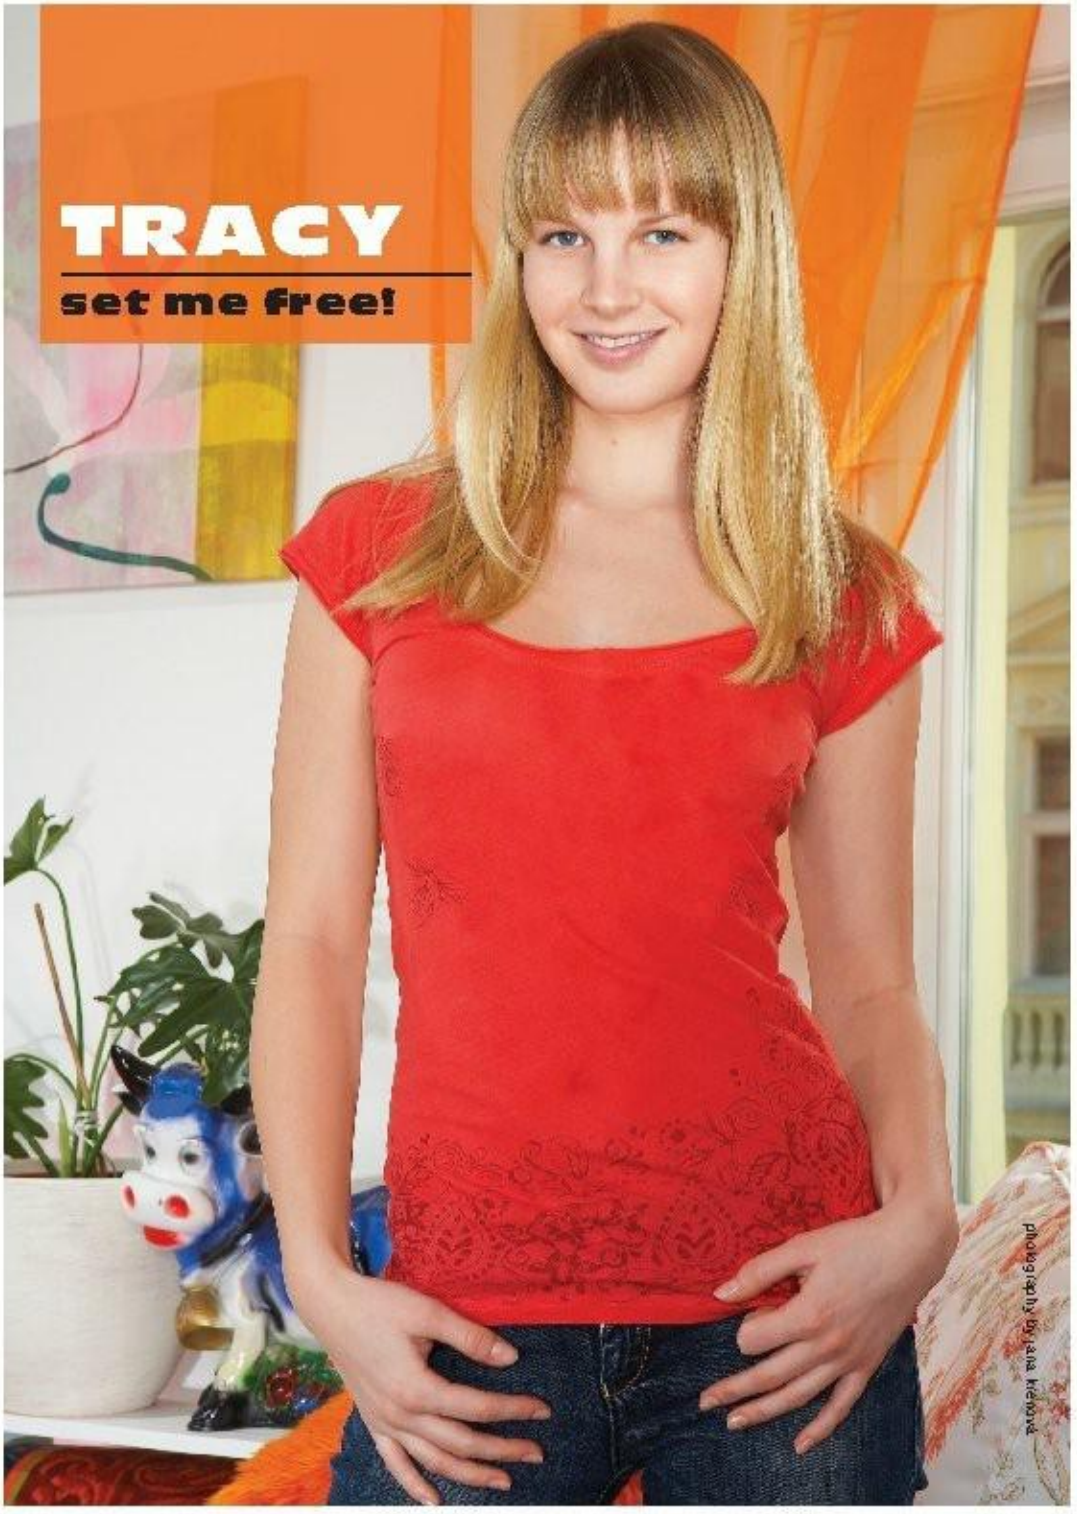
TRACY

set me free!



photography by jana krenová

Howdy! Devon the intern here. High school grad Tracy is super excited to be going away to college this fall 'cause of all the interesting classes she's going to be taking. Yeah, right!

Hey, Tracy! What are you doing to get ready for college?
Shopping! I'm buying tons of slutty clothes so I'll fit in. Most of my clothes, my mom bought me.
You don't have to dress slutty to fit in!
I guess you're right. I just have to be slutty.

I didn't mean that, either! You should always just be yourself.
You don't know my life, Devon! I've been in, like, sexual prison living at home.
You mean you're still a virgin?
No, thank *God*, but I'm *practically* one. I have an eight o'clock curfew! I barely have time to *meet* guys, let alone hook up. Plus, when I'm out, my parents are calling me every five minutes to make sure there isn't, like, a penis inside me or something.

They sound really strict. How did you convince them to let you go away to college?
Well, I got really good grades in high school, so I got into an awesome college. They don't want to keep me from getting an education and *completely* ruin my life.
How are they going to react when they see these photos?
They will never see these photos!
Did you like posing nude?
Omigod, I loved it! It felt like I was taking my first big step toward freedom.
How did you manage to sneak away for the photo-shoot?
The same way I lost my V.—told my parents I was going to the library. It's not, like, way far-fetched. I got straight As.
What was it like losing your V.?
So amazing! I mean, it was in a car, so it wasn't very romantic, but it felt so awesome to be naked with a guy and feel him inside me and just get all sweaty and, like, animalistic. And the next two times after that were even better.

AGE: 18
HEIGHT: 5-7
WEIGHT: 127 POUNDS
MEASUREMENTS: 36B-24-36
HOMETOWN: PAWNEE, IND.

What about after that?
That was it! That's all I could sneak in before graduation last June. Even my parents wouldn't believe I would go to the library every day during the summer.
So, you haven't had any sex for two months?
Only with myself! The one thing about being trapped at home is, at least I get a lot of alone time in my room. I just put on some music so my parents won't hear me when I, you know, have an orgasm.
What do you think about when you masturbate?
I picture all the guys I'm going to meet at college and all the new ways I'm going to do it—doggy-style...me on top...standing up...69.... Omigod, I have so much to learn.
That's what college is for! ★

TANNER MAYES

so a-mayes-ing

Hey! It's me, Lindsey. Back when Tanner Mayes was our Teen Queen of the Month (December 2008), she said her ultimate goal was "to be a super famous porn star." Well...it happened! But the half-Costa Rican cutie is so awesome and down-to-earth, she made time to come back for a visit.

Tanner, are you even hotter since the last time I saw you?
Yes, I am. Kidding! I did grow an inch and fill out a little—maybe that made a difference?
You've been in tons of movies in the past year. What was it like filming your first scene?
Omigod, I was so nervous and scared! I didn't know what to expect, so I asked the guy to have sex with me before filming so there wouldn't be any surprises.
What do you mean by "surprises"?
Like, his cock being too big.
Is that a problem for you?
Well, my pussy is very small and tight. I know that sounds like I'm bragging, but I'm not! One guy said I was so tight, it felt like he was doing me in the butt.
So, does it actually hurt for you to have sex?
No, the tightness totally intensifies the pleasure for me—and I hope for the guy, too! But if he's too big.... It's just a little tricky.
Speaking of doing it in the butt—have you taken the plunge yet?
Ha-ha. Not quite. The other day this guy was fucking me, and I was so turned on, I was like, "You can put your finger in my ass!" It felt awesome, but I'm just not ready to have a dick in my butt. Someday....
Is there anything you do in porn that no one else does?
Well, one time there was a really old guy on set, and none of the other girls wanted to do the scene with him, so I volunteered. I love fucking old pervs.
Do you ever have to do a scene and you're not, like, attracted to the guy at all?
No—looks aren't important to me. But if I ever need help getting turned on, I'll just picture my history teacher! LOL!
What kind of guys are you attracted to in real life?
I like guys who have a sense of humor. I love laughing.
Now that you're a porn star, are you going to, like, get a boob job or anything like that?
I'm not changin' nothin'! I love how my tits fit perfect in my hands. LOL! Anyway, I'm not going to be in porn forever.
What do you want to do after porn?
I want to go back to school and study business and use my brains. I'm not just a pretty face and a tight pussy!

BARELY LEGAL'S AMATEUR PHOTO CONTEST **$2,500 GRAND PRIZE!**

ATTENTION, ALL 18-AND-OVER CUTIE-PIES! Become an amateur model for BARELY LEGAL today. Snap a clear color picture, and mail it to BARELY LEGAL Slumber Party, 8484 Wilshire Blvd., Suite 900, Beverly Hills, CA 90211. Every time Honie whose picture we print gets $250 and a chance at the ultimate Grand Prize—a photo feature, worth $2,500. The award for the photographer of the Grand Prize winner is $250. Fill out the model release on the last page of this section, and include a color copy of a valid ID. Join the Slumber Party!

The truth is out—Southern girls are *not* ladies. "We get down and dirty," confesses 18-year-old **Envii** of Mobile, Alabama. "I'll take off my clothes almost anywhere in a heartbeat." This extra naughty Dixie chick is totally into girls and bondage and doggy-style boning, and she's "not an anal virgin." But Envi loves *innocent* dirty fun, too—her fave hobbies are camping, fishing and hiking, then washing off the grime with a little skinny-dipping. This fall, ambitious Envi will be studying psychology and English in college, and she plans to be a professional chef someday. Just be sure to watch the road when this super flirty teen is behind the wheel: "If I see a hot, hot guy while I'm driving, I'll pick him up." We predict major pileups in Mobile! —*photos by Brand*

"I want to be the next Jenna Jameson!!" declares **Jewlz**—which will be awesome, 'cause then we can say this newly legal bad girl got her start here! The Mentor, Ohio, hottie definitely is going to make it big, because she's "very determined to become something I enjoy." Those pert tithes, amazing ass and pretty pussy won't hurt her chances, either! Sexually speaking, this long-legged exotic dancer is "outgoing, fun, flirty"—and straight. Boo! That sucks for us, but not for *your* guys, 'cause her "best sexual talent" is giving blowjobs. Her most *exciting* sexual talent, though, has got to be having "G-spot orgasms." Wow, that's putting the "Oh!" in Ohio!

HOW I OPENED MY DIRTY MIND
A BARELY LEGAL CONFESSION
BY AIYSHA SANCHEZ
PHOTOGRAPHY BY RED VELVET

Hey, remember me? I know, time flies. It feels like yesterday I was in BARELY LEGAL, but it was in 2007, in the April and Anniversary issues! Can you believe I'm 20? It's okay, though. I'm still hot—just more mature. Now I can appreciate things that I, like, *hated* before. I guess I have one special guy to thank for that.

Okay, so where do I begin? Remember before, how I was a pre-law student? (I'm not anymore, BTW—*so-ring.*) Well, I had to take philosophy, and I was like, *Ugh*, I would rather have, like, a hot poker in my butt. Turns out it was so awesome, though, 'cause I met Caleb and got something way better in my butt. LOL.

Anyway, first day of class I was zoning out and wondering, Who's that hippie two rows up? He was a total hairy freak, but under the beard and shaggy head, he looked hot. I was weirdly drawn to him. I never liked guys like him, 'cause I always had a taste for thugs, but there was something about Caleb that made me wet. Well, long story short, a few weeks later, we had a date.

I went to his place. It smelled like incense. We stretched out on his futon. We didn't really do much talking. There was just this overwhelming sexual tension, and I was seriously horny. Pretty soon we were kissing. My mouth had never felt like that, like a thousand little nerves in my lips were quivering—like if I squeezed my thighs together and concentrated, I could come without moving.

That's when he started licking. His tongue was long and strong. He alternated from long, slow strokes between my pussy lips to quick, sharp darts inside my hole. My eyes crossed. I felt faint. But also—I was overwhelmed by the urge to suck his dick.

Okay, I have always been a lazy girl when it comes to oral—all take and no give. But, man, did I want to stuff my face with his cock! I had to have it! I crawled on top of him, and we totally 69ed.

He had a beautiful dick, long and curved like the most perfect, delicious banana ever. I dragged my tongue up and down his warm, salty shaft. I wrapped my lips around the tip and slid down, pushing as far as I could until the head of his dick nuzzled my tonsils. And then I did the weirdest thing, for me—I sucked his cock with my throat. I flexed my throat soft and slow. I didn't even gag! All the while I was stroking his shaft with my tongue.

Meanwhile Caleb was sucking my pussy like crazy. We started, like, vibrating, both of us all quivery and hot. I was swelling up inside, filling up more and more till I couldn't hold it anymore,

and I came. I shrieked and came all over his face, throwing my head back and jacking his shaft with my hand.

"Fuuuuuuuuuuuck!" Caleb roared. His cock pulsated in my palm. Without thinking, I opened my mouth and stuck out my tongue. He shot his load in my mouth, all over my tongue and down my throat. I swallowed. It burned a little going down, but the lingering taste was hot. Like, it kind of made me horny all over again, like I could have gone on and on for hours.

Caleb picked me up and pulled me close. He kissed me on the mouth and licked my tongue. I'm sure he tasted his own jizz, and maybe that sounds gross, but I think it's hot.

The weird part, in case you don't remember, is that I never let guys come in my mouth before. What was it about Caleb that made me want to eat his jizz? Who cares, really? The point is that I did, and it was incredible!

After that, I couldn't get Caleb out of my head. I was useless in our philosophy class. All I did was stare at the back of Caleb's head and picture his dick in my mouth. Sometimes that turned into me riding him, pulling his hair, my boobies bouncing. Or him doing me doggy, pulling my hair.

I had to fantasize, 'cause we'd been hanging out and making out and having oral for weeks, but we hadn't had *sex* sex. Then, this one weekend, he took me camping.

Okay, do you have any idea how much I hate the great outdoors? I am not a roughing-it kind of girl. But I was kind of obsessed with Caleb, so I didn't care. We had to hike a *mile* and I didn't even complain!

Caleb pitched a tent (LOL!) by a bubbling stream. Being with him, the world was beautiful. For the first time in my life, I could actually see the flowers and trees, hear the birds singing. Corny, I know, but true. We roasted tofu dogs (yes, Caleb is a veg—see what love can do?). He spread a blanket on the ground, and we stretched out under the stars. I rested my hand on his crotch—it was bulging.

We started soft and slow, just kissing, super romantic by the fire and all of that, but after a while I couldn't stand waiting. My clit ached, and my pussy was soaking wet.

I wiggled out of my jeans, then grappled for his belt and tugged his cargo pants to his knees. I felt crazy, like a cat in heat. I climbed on top and straddled him. I'd ride him, just like in my

"I WAS OVERWHELMED BY THE URGE TO SUCK HIS DICK."

daydreams! I ripped off my sweater. It was a chilly night, but I was hot and the fire was crackling. With a groan, I sat down on his dick. He sunk in, balls deep.

I don't know if the G spot really exists, but whatever way Caleb's dick was rubbing me was making me insane. It was like there was this deep, deep place inside that no one had ever touched before, but that his penis was now touching.

I gripped his shoulders and rolled my hips, slowly, then faster, grinding. Caleb was almost still, his eyes closed, his breathing deep. He rested his hands on my waist and let me do whatever I wanted—bounce, squeeze, shake. The combination of his cock touching that deep part of me, and my clit rubbing against his shaft, was way too much. I wanted to keep going like that forever, but I came.

Now it was Caleb's turn. He flipped me over on my back and pounded the daylights out of me. He bent my knees and pushed my legs wide open and—*smack*, *smack*, *smack*—I mean, he was fucking me so hard, my bones were rattling.

By now I was butt-naked in the cool night, my skin glistening with sweat, and then—*splat*! Caleb came all over my tits, my belly and me. He rubbed it all around my skin with his dick till my tummy was shining. We passed out, exhausted, naked under the stars, and when it got too cold we crawled inside the tent and slept together in one sleeping bag. When the sun came up we did it again, slow and lazy this time, and he came inside me.

I think I loved Caleb. He was all I ever thought about, and there's no one else in the world who could have convinced me

to hike and camp and eat tofu wienies. Even more important, there was no one up till then I wanted to touch my butthole, but Caleb, well....

It was about a month into our romance. We hung out almost every day and had lots of sex. Some days my vagina was actually sore! Well, one day in particular, we were lazing around on the floor of his apartment watching this show about lemurs on PBS, and he grabbed my hand and laid it on his boner. He just was always getting boners for no reason. Anyway, just joking I said, "You are going to wear my pussy out." And he was like, "That's not the only hole you have, babe."

So dirty!! I looked at him kind of funny, like, Am I understanding what you're saying? And he was like, "Why haven't we done it in the ass by now anyway?"

Okay, so diehard readers might remember me being quoted as saying, "Things should only come out of my ass, not in." I thought I would never live that one down! Well, now was my chance—not that Caleb knew or cared that I ever felt that way or had ever even been a model. All he knew was that he wanted to do me in the butt.

"Okay," I said, lifting my skirt and crouching on my hands and knees. "But you have to lick me first."

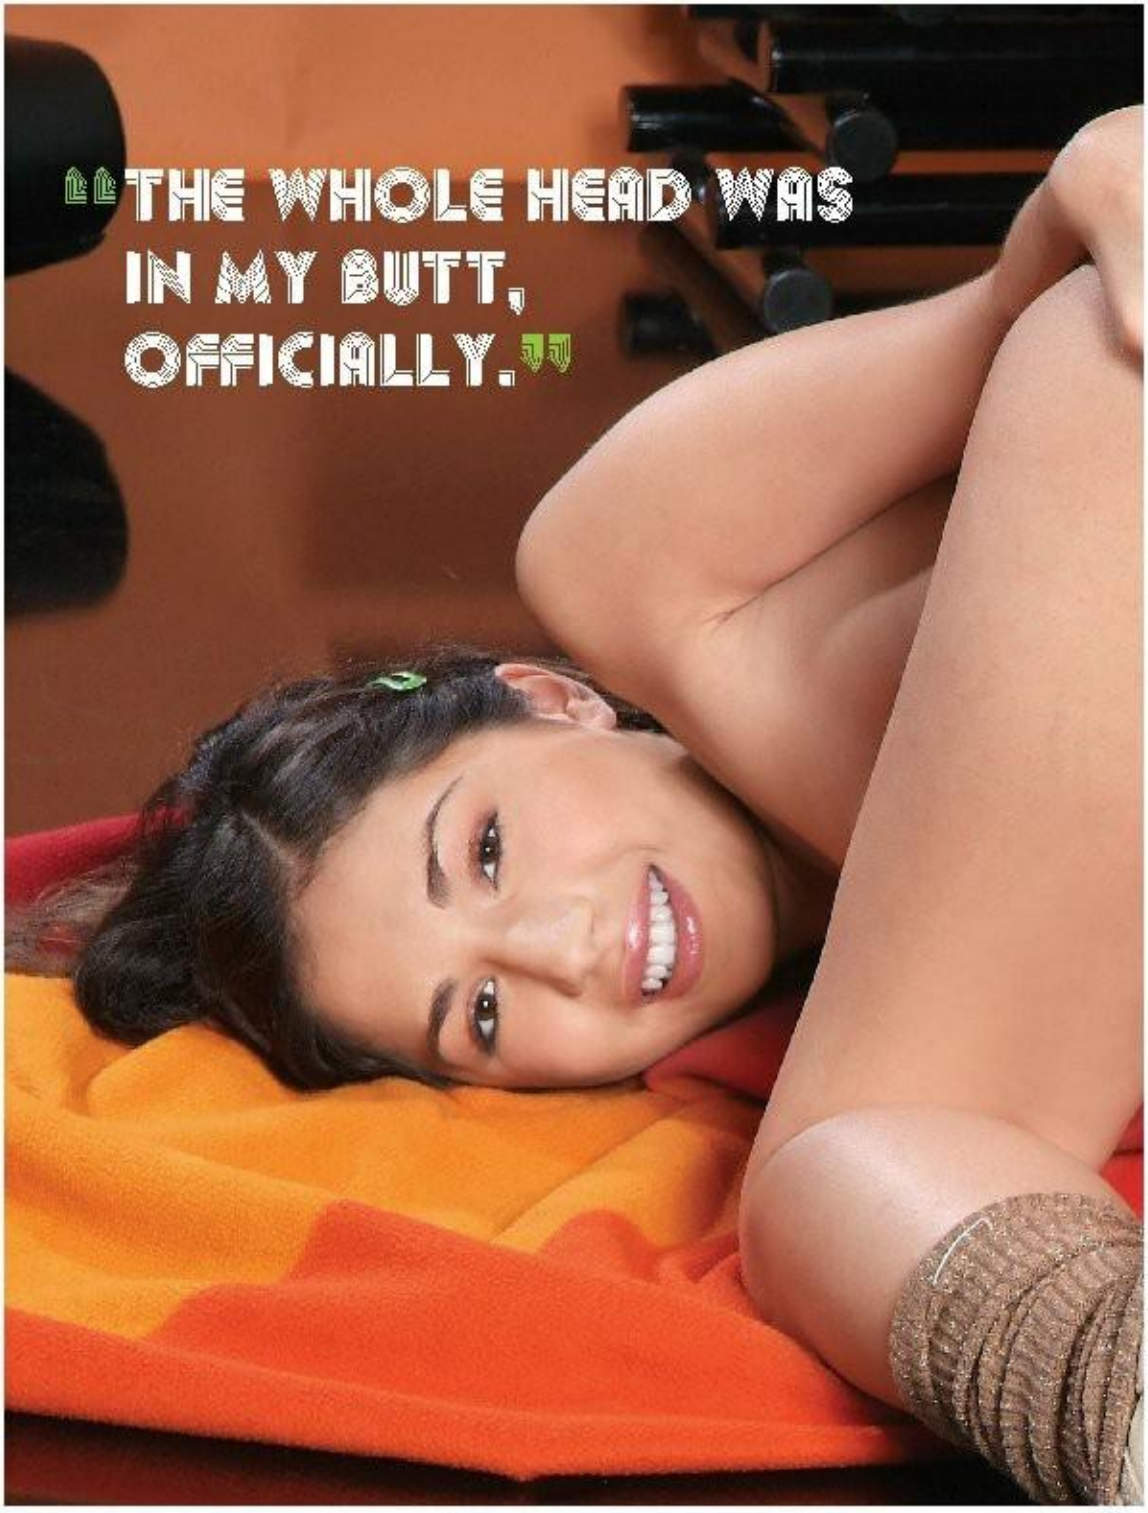
I didn't mean lick my ass, but that's what he started doing! I mean, at first he was tickling my cooch, but next thing I knew, his tongue was swirling around my booty-hole. I gasped—partly because I was shocked, partly afraid. What if it tasted gross? But mostly because it felt completely amazing. My entire body tingled. I swayed my butt and rubbed my puss.

"*Awww*, fuck, I could come already," I moaned.

"Good, you're ready."

I was. My butt was eager for whatever came its way. Caleb spit on my brownie and rubbed the head of his dick against me. I breathed deep and slow as he nudged into my butt. I gulped—he was in! Only a little, but I could feel it—the whole head was in my butt, officially. My heart pounded. It was so exciting, so new and just nasty. I arched my back.

"Yeah, gimme more," I breathed. He pushed again, slowly, sliding deeper inside. What a feeling! A fullness I'd never known



"THE WHOLE HEAD WAS IN MY BUTT, OFFICIALLY."

was possible. The deeper he got, the more I felt—I don't know—it sounds cheesy, but *complete*.

A few minutes in, and I felt like the world's anal queen. Yes, it was tight, it was different, and there was this weird pressure in my hernie, but the more we moved, the better it felt. I gritted my teeth and tossed my hair and clawed the carpet.

"Fuck me," I growled. "FUCK ME!"

Caleb's balls slapped my pussy. I pressed my forehead into the floor and diddled my clit. I sunk my fingers into my puss and screwed myself and imagined I was getting double penetrated. I'd never felt so dirty, and so amazing. When I came, I howled, a noise I'd never heard myself make. Caleb roared like a beast and blew his load in my ass. We collapsed in a heap, panting, laughing. I will never forget that feeling.

Caleb converted me. I mean, after that, we did it in the butt again and again. We were almost perfect.

Except maybe we didn't have enough in common besides sex. When he told me he was moving to Oregon to work on an organic farm, I cried like a baby. He said, "You can come with if you want, babe." But as crazy as I was about Caleb, I'm no country girl. I still love shoes and lipstick. So, after the most amazing semester of my life, we parted ways.

That experience definitely changed my outlook on things. I dropped pre-law and switched to psychology. Maybe I can become a therapist or something, with a focus on human sexuality. I'll help people get over their hang-ups—just like Caleb helped me.★

TENAYA

Hey, it's Lindsey. If you can believe it, gorgeous Tenaya was totally shocked to be named our Teen Queen!

"I'm just still not used to being, you know, *hot*," she confesses. "Up until like the summer before my senior year in high school, I was kind of chubby. Boys would oink at me! They would literally run away from me!"

I bet those boys are sorry now....

Romantic status: I'm single—even though I guess I probably *could* have a boyfriend now if I wanted. But right now I would rather be with a bunch of different guys. I have to make up for all of that time lost in high school!

Sexual personality: I would say I'm all about exploring. I don't want to miss out on anything.

Best body part: My boobs. When I started losing weight, I was so afraid my boobs would, like, deflate. But they just went from a D to a C—and actually I think they look nicer this size.

Secret talent: I play drums! I was the total fat girl who had to join marching band to have friends. BUT—now I'm skinny, *plus* I have a musical talent. So it worked out for the best. :)

Fave hobbies: Swimming, playing tennis, shopping with girlfriends, dancing.

First thing I notice about a guy: If he's looking at me.

Biggest turn-on: Being told I'm pretty!

Biggest turn-off: I can't think of anything! I'm horny all the time!

Fave masturbation method: I can make myself come super fast with just my fingers. I really got to know my pussy during the lonely years! LOL!

Spit or swallow: Swallow. I totally gagged the first couple of times I tried to do it, which was so embarrassing. I mean, I didn't want to make the guy feel bad. It's just kind of shocking when it shoots out. I'm a little better at swallowing now that I'm used to it.

Fave sex position: My favorite so far is when the guy is on top. That way he can always be looking into my eyes and also come on my chest. I *love* that.

To bi or not to bi: Definitely bi. Actually, my first serious sex relationship was with a girl. I mean, an older woman—one of my teachers! She really made me feel beautiful, and also she taught me how to lick pussy. Now if only an older guy would teach me how to be better at sucking cock!

Anal sex, yay or nay: Yay. I try to never say no to anything, but I have to admit that anal was the *scariest* thing I've said yes to. But I'm glad I did 'cause it felt good. Not as good as regular sex, but pretty close.

Reason for posing nude: To start my modeling and performing career—and to show off my new hot bod!★

BEBE

I'm bushed!

photography by denys defrancesco

Hi, guys! Shawna the intern here. Beautiful Bebe is spending the summer working at a baseball stadium concession stand, and the jobs wiping her out!

Hey, Bebe! You're pretty hairy down there, if you don't mind me saying so. Did you ever think about maybe at least trimming your pubes a little, like with nail scissors?

I don't want anything sharp near my coochie! Anyway, the guys I hook up with don't seem to mind it.

How do you know?

Well, they're always *surprised* the first time they see my bush, but then they look really happy. I guess most girls shave or wax. I know all of my girlfriends do. What about you, Shawna?

I like to keep my coochie smooth. It just feels more sensitive.

Omgod, I can't believe my pussy could actually be *more* sensitive. I already come in like two seconds if a guy eats me out.

See, I always think guys would be like, *Ew*, I don't want a mouthful of pubes.
Not the guys I meet. They always want to lick me down there. Even my butthole!
Which do you like better—getting your pussy licked or your booty-hole?
I can't really compare. Getting my pussy licked makes me come, but getting my butthole licked makes my pussy super wet. It's, like, the best foreplay.
What's your favorite sexual position?
I like doggy-style. The guy's cock goes really deep.
Have you tried anal?
Yes. I like to do it sometimes for, like, variety, but regular sex is better for orgasms.
What's the best way to come during fucking?
If we're doing it doggy-style, if the guy can play with my clit at the same time, that's amazing!
How can guys find your clit through all that hair?
Oh, ha-ha. Don't worry, they can find it. Actually, some guys say they really like feeling my hair when they touch me down there—'specially if it's kind of wet from girl goo.
I guess that can be kind of sexy.
It feels sexy to me when I play with my pussy.
Do you masturbate a lot?
Not as much as I used to. I'm always having sex!
Always, like every day?
Yes—since summer started. I meet tons of hot guys at my job. I'm kind of exhausted, actually.
You could always quit.
Are you kidding? I don't want some other girl to take over!

LAYLAH

big-top pee-wee

Shawna the intern here. Up-and-coming porn starlet Laylah is the teeniest girl with the biggest boobies I've ever seen. I thought she was going to topple over right in front of me!

Hey, Laylah! I *love* your name. It's just like that song....
Omigod, don't remind me! Boys used to sing it to me *every day* at school, but with the words all changed, like [sings] "Laaaaaylaaa! Get down on your knees, Laylaaa."
And did you?
Shawna! I'm talking about in *junior high*.
Well, what about now that you're legal? Do you like to give BJs?
I *love* to suck cock. I love my effect on a man.
Do you spit or swallow?
Both. It depends on who it is. Swallowing is for special guys.
Where do you like guys to come besides in your mouth?
On my breasts. It feels nice, and guys seem to really like doing it.
Guys must love your boobs.
You know what some guys *really* love? Fucking them! The first time a guy asked me to squeeze my boobs together so he could slide his cock in, I was like, This is so weird! Why would a guy want to fuck my titties when my pussy is, like, right there? But they love it.
Do *you* love it?
Yes, I really do! I mean, it doesn't make me come or anything, but it gets me super excited to see the guy so excited.
What's your favorite thing to do sexually?
I'm really into foreplay and teasing and stuff like that.
You teasing the guy or the guy teasing you?
Both. I like to tease the guy by, like, touching my breasts in front of him—you know, through my clothes. I'll just be sitting there casually touching them like I'm not even aware I'm doing it. Or I'll rub my nipples through the material and make them hard.
Your entire sex life revolves around your boobs!
Well, why not? They're pretty nice! But anyway, it doesn't really. I have regular sex, too.
What's your favorite sexual position?
I like spooning and froggy.
I've never done froggy.
It feels awesome, plus it's great for your thighs.
Do you like to get your pussy licked?
I *love* it. I love the orgasm I get from it.
How do you like to be fucked?
I like to be sensually manipulated, and for the guy to be rough in a loving manner.
Are you with a guy right now?
No. I have to masturbate like three times a day!
What kind of guy are you looking for?
Mmm—he should be tall, handsome, smart. And into handcuffs! Do you know anybody like that?
Not me personally, but maybe our readers do! Well, guys? ;)

AMELIA
you're my inspiration
photography by richard kern

Hey! It's me, Lindsey. High school grad and wanna-be artist Amelia is so shy, she almost didn't pose naked at all—until you guys came to the rescue!

Hey, Amelia! Did you like posing nude?
I was petrified! When the photographer got here, I was like, Omigod, what was I thinking? I have to take my clothes off in front of a total stranger!

Didn't you think about that ahead of time?
No, all I thought about was how much I've always wanted to be in BARELY LEGAL. I didn't think about the first step.

So, how did you get the courage to strip?
I thought about *why* did I want to pose for BARELY LEGAL in the first place. And it's because, you know all those guys who write to you about the different girls? I pictured them turning the pages and getting to me and stopping and, you know, doing what they do, and then writing to you about me. It made me so horny, I just started taking everything off! And here I am!

How do you think the photos came out?
I love them! I think I look pretty.

Very **pretty. What do you think is your best feature?**
My pussy. I like the way it puffs out.

It kind of looks like it's ready for sex.
It is. I am. Like every minute of the day.
What turns you on the most?
Getting spanked. I love the tingly feeling I get all over, especially in my pussy.
What's your favorite way to fuck?
I like the guy to totally take charge—like, order me to suck his cock first and stuff like that. But in a fun way, not real. Not mean.
What kind of guys do you like?
Older, with lots of confidence. The opposite of me!
It took confidence to pose naked, didn't it?
No, it took the readers. Thanks, you guys!

THE BARELY LEGAL GUIDE

BARELY LEGAL P.O.V. #5

★★★★

HUSTLER Video. Directed by Dirty Dan; starring Tatiana Kush, Allie Foster, Leeanh Rae, Leylah, Katya, Victoria Lawson and Dirty Dan.

I totally don't have a penis, but BARELY LEGAL P.O.V. #5 seems pretty real to me! Like when "we" slowly rub "our" dick through Allie Foster's cute little bush before putting it in. Or when Katya gets on her hands and knees, looks back and says, "Are you going to fuck me?" I'm all, "Uh, yeah! I am." Victoria Lawson is so cute, but pretty new, so her BJ is less skilled. But when she looks up at us with watery eyes, we know she's doing her best. Little Leylah has the best butt, which she wiggles at us as she looks back and says, "Give it to me." So we do—plus some spanks! In P.O.V., her little butthole winks up at us as we fuck her. Very hot! Later, I'm ready to come on her killer titties, but we totally creampie her instead! Finally, there's Tatiana Kush, which rhymes with *tush* (and that is so not an accident). During an awesome BJ, she's all casual and, between slurps, goes, "I want you to fuck my ass." I'm all cocky and "Hell, yeah!" We butt-bone her, then tell her to suck it. Normally I'd be like, "Ew!" But I'm all, "Suck it clean!" Tatiana goes ass to deep-throat! This is one dirty chick. BARELY LEGAL P.O.V. #5 is a point of view I can agree with.

Tatiana's Kush-ion is made for pushin'.

Things are definitely looking up for Katya.

YOUNG & NASTY #4

HUSTLER Video. Directed by Richard Hamilton; starring Natasha Nice, Trisha Rey, Dakoda Brookes, Renee Cruz, Kelly Skyline, Holly Wellin, Alec Knight, Jerry, Mick Blue and Tony De Sergio.

Young & Nasty #4 pretty much is what it is. Each girl introduces herself and then jumps in, usually with a sloppy BJ. I love Dakoda Brookes's natural little titties. She gets nasty with Jerry, who spanks her ass bright red while screwing her in an awesome standing doggy-style. And my girl Holly Wellin says she came here to show us how the English fuck. Well, then I guess those Brits like it super intense and in the butt! Her face turns red as she has a screaming ass-gasm with Tony De Sergio. He piledrives her between her pussy and pooper, then comes on them—and it drips into both holes! Yeah, that is nasty. My fave, though, is super cute Trisha Rey. She gets really sweaty during her intense doggy fuck with Alec Knight. Trish collapses on her stomach after being bonked senseless and seems to have all she can do to get up to suck his dick. She is *totally* out of gas—which is okay, because right away he shoots jizz into her mouth. "I'm Trisha motherfuckin' Rey, and I'm young, and I'm nasty," she says, with splooge on her face. Yes, you are, Trish. And that's what *Young & Nasty #4* is all about.

SONIA

a behind is a terrible thing to waste

Hello, everyone! It's Shawna the intern. Sassy Sonia is working her way through college by dancing, modeling and sometimes acting in pornos. It beats handing French fries through a window!

Hey, Sonia! You're starting college this fall, right?
Actually, I'm starting my sophomore year. I'm psyched to not be a freshman!
What's your major?
I haven't picked a major yet, but I'm taking lots of creative writing and literature classes.
So, how did you happen to start adult modeling and acting and stuff?
Well, I really wanted to go to college, but I didn't get any scholarships, and my parents don't have tons of money, so I had to figure out a way to pay for tuition. So I was all, What do I love to do, and what am I really good at? And the answer to both was sex!
What makes you good at sex?
Omigod, I just realized how conceited that makes me sound! But guys have *told* me I'm good, so....
What do they say?
Well, one thing is that I give awesome head.
What makes it awesome?
I just really love doing it. I can do it for a long time, too. If my mouth gets tired from sucking, I just switch to licking up and down or maybe licking his balls. I like to make it a real event—not just casual, like, I'm just getting this out of the way so we can fuck.
Do you spit or swallow?
I swallow. I like to feel the guy's cock pulsating in my mouth.
Do you like when guys go down on you?
Yes, I love the intimacy. Plus, it makes me come super hard!
What's your number-one favorite sexual activity?
I LOVE anal sex. I know that's kind of unusual. I mean, lots of girls really don't like it.
Lots won't even try it.
I know! I don't get that. Everybody doesn't have to love it, but how do you know unless you try it?
What makes it your favorite?
Well, it feels good. I mean, I can really feel the tightness of my butthole around the guy's cock. Also, mentally, it makes me feel dirty, but in a good way—like I'm doing the ultimate taboo thing. And then if the guy comes in my butt...*omigod*. I have actually had orgasms in my ass!
Maybe some girl will read this and try it.
I hope so! I hate to think of anybody missing out. I want to tell girls, it hardly hurts at all the first time. Just remember to relax, and breathe, and it will slide right in. And you will thank me later.
You've convinced me.
Maybe I should major in sex ed!★
